Dear Child Care Provider,

This letter is in regards to the May 14, 2015 compliance check of your Level A, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)p Children under the age of one year are placed on their backs for sleeping unless otherwise authorized in writing by a physician.

At the time of my visit, one of the children in your care fell asleep in the pack and play she was playing in. She did have a blanket in with her. We discussed safe sleep practices which include no toys, blankets, or other items in with the child while they are sleeping; you did remove the blanket immediately.

Although providers typically have 45 days to make corrections, this requirement is able to be resolved immediately and should be as such.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

☐ Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur after the 45 day time period has elapsed.

x ☐ Based on the items out of compliance listed above, a recheck or follow up visit to your home is **NOT** necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: May 29, 2015.
